

# ARCOLA -CARNEGIE- PUBLIC LIBRARY

We are part of the Illinois Heartland Library System. IHLS provides automated ordering and delivery (via SHARE online catalog software) from member libraries in the system. SHARE is a collection of member libraries in central and southern Illinois through which our patrons have access to almost 10,000,000 items. Our patrons can order from our local library, their home computer, or their mobile device, and have items delivered, within days, to our library via the IHLS courier service.

Along with the standard fare of library staples, we feature: Large Print Section, Spanish Language Section, Large Juvenile/Children's Section, Western Collection, Science Fiction Collection, Large Selection of movies and documentaries, Audio Books, and Digital Talking Books, 50 magazine and 8 newspaper options.

We offer computer work stations for online research and personal business. Additionally, resources for genealogical research as well as a wealth of local historical documentation are available.

We also provide other services, such as, photo copying, faxing, laminating and more. Additional facility programs include: summer reading programs, during the school year - after school activities and mid-week story-time. We are ADA compliant with an elevator on all levels.
